

## FMB PRIORITIZES ACCESSIBILITY ON FMBBANK.COM

At FMB, we are committed to providing a website that is accessible for everyone, including individuals with disabilities. As part of this commitment, we have worked to ensure navigation, interactions, design, and content on FMBBank.com are user friendly and meet internationally recognized standards for online accessibility. In addition, we conduct regular inspections of our website to ensure that we keep up with accessibility standards as our site changes, and as standards change in response to technology developments.

FMB uses the Web Content Accessibility Guidelines (WCAG) 2.0 Level [AA] published by the World Wide Web Consortium (W3C), as its standard for FMBBank.com online accessibility. While we cannot guarantee that every page conforms to this standard at all times, we strive to make all of our webpages on FMBBank.com accessible as a matter of practice. Third-party platforms that link from FMBBank.com may not conform to these same standards.

For more information on WCAG, you may visit the [Web Content Accessibility Guidelines Overview](#). If you have any suggestions or questions regarding accessibility on the FMBBank.com website, please contact Joe Anderson, Compliance Officer at 850.997.2591 or email us at [FMBBank@FMBBank.com](mailto:FMBBank@FMBBank.com). If you email us, please do not include your account information or personal information beyond your name and a way to contact you. We will do our best to answer your questions or provide further information regarding your specific accessibility needs.
